My name is Marcia and I am contacting you from the promotions department for K-EARTH 101. i am reaching out to see if you are interested in having our radio station at the Old La Certified Famers Market. We would be sending out our street team to do a 2-hour appearance. This would consist of setting up a booth. playing music, doing some giveaways and posting on our social media platforms. We feel this farmers market would serve a great setting for one of our street team appearances. if this is something you are interested in, please let us know. We would love to be a part of your farmers market.  
Thank you for your time.
